

# BRANDED CALLER ID

www.televoips.com

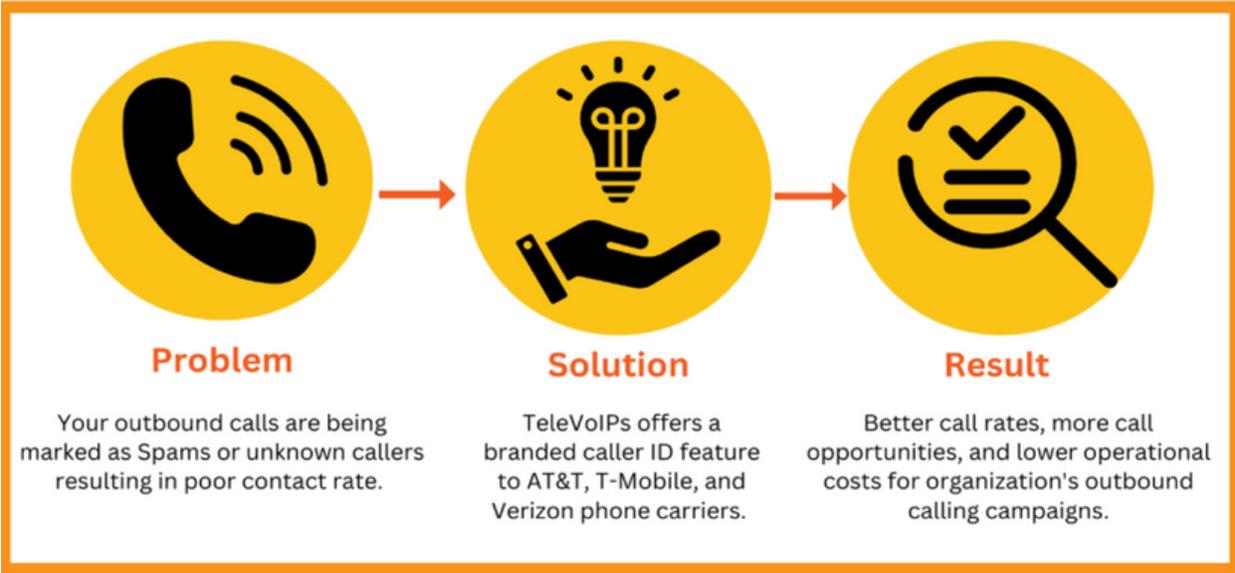

The Branded Caller ID feature enables clients to promptly identify incoming calls. This feature showcases the caller's company name, location, and logo on the caller ID, supported by major carriers such as AT&T, T-Mobile, and Verizon.

*90% of unknown calls go unanswered but with Branded Caller ID you won't miss out on a call.*

### Benefits of Branded Caller ID:

- Trust • Security and Spam Reduction • Increased Answering Rates • Affordable and Easy-to-Use • Longer and Higher Quality Conversations
