

# TESTIMONIALS

www.televoips.com

**“When we met the folks at TeleVoIPs and spoke to some of their customers, we knew they were the right company for us.”**

**- Seibert Insurance Agency**

**“Working with TeleVoIPs to implement our new IVR has increased the overall productivity of our organization. Our receptionists can spend more time running the front desk, and more importantly, our customers, carriers, and callers get into contact with the person they need immediately.”**

**- BlueGrace Logistics**

**“The ability to listen, track and refer back to the call exchanges has been second-to-none when dealing with angry or hostile patients. Our call volume was overwhelming and now [it's] manageable.”**

**-Richard Menk, Administrator**

**"We needed to find a VoIP partner that stands up and takes ownership of the situation to make sure all outcomes are favorable to our clients. "**

**- Tad Senjic, CEO, AXA Communications**
