

# BRANDED CALLER ID

teleVoIPs<sup>®</sup>  
Business Phone Solutions

www.televoips.com

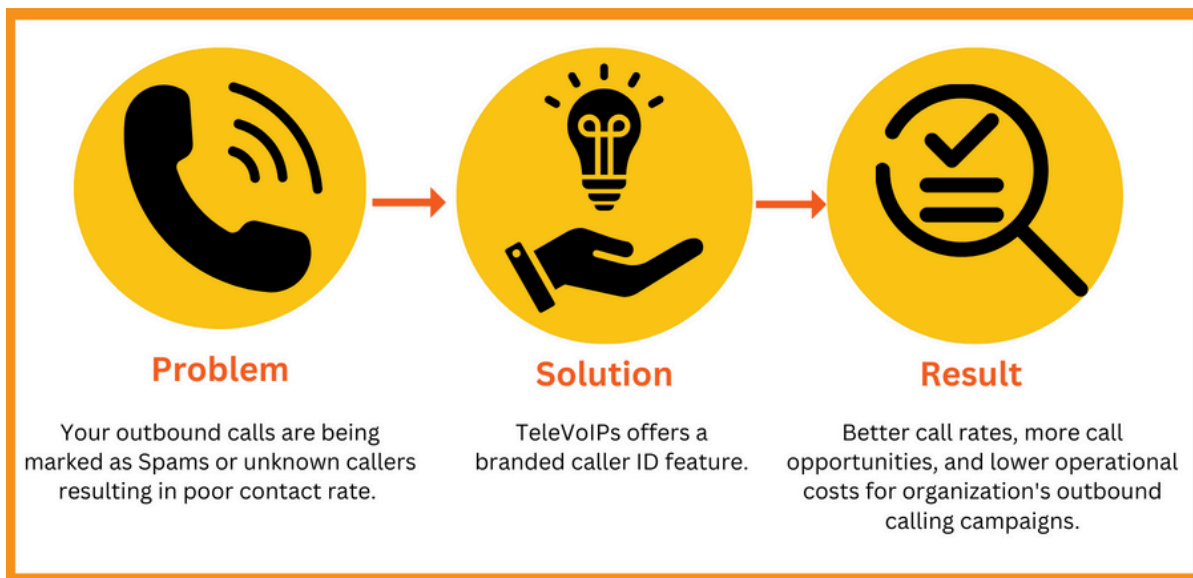

The Branded Caller ID feature allows your clients to quickly identify who is calling. This feature showcases the caller's company name, location, and logo, enhancing credibility and building trust with clients.

*90% of unknown calls go unanswered but with Branded Caller ID you won't miss out on a call.*

## Benefits of Branded Caller ID:

- Trust • Security and Spam Reduction • Increased Answering Rates • Affordable and Easy-to-Use • Longer and Higher Quality Conversations
